HOLD HANDICRAFT SECTION AS CUBS, LEADERS GATHER

Cubbers Have Pow-Wow At Camp Ockanickon, Point Pleasant

BLUE-GOLD BANQUET

Indian Ceremonial Council Fire is Staged by David Dean, Geo. Webster

POINT PLEASANT, June 14 — The Cubbers of the Bucks County Council met over the past week-end at Camp Ockanickon for a Cubbers' pow-wow, and Cub Leaders' get-together. The program included a section on handicraft under the direction of William Liebig, Cubmaster of Pack No. 24, Doylestown, assisted by Clifford Clymer, assistant cubmaster of this pack. In this handicraft, participants received instructions and completed several types of projects relating to Cubcraft work.

Another section of the program was the cub games, under direction of Mrs. Albert Wiedemeyer, den mother. While still another was on the cub pack administration under the direction of Albert Wiedemeyer, cubmaster of Pack No. 1, Sellersville. The final program group for the afternoon sessions was planning for cub pack ceremonies with Kenneth Keefer, as course director.

Supper was held in the form of a cub pack blue and gold banquet in order that the cubbers might see how such a banquet might be put on in connection with their own cub pack.

Following the supper, the entire group assembled down at the parade grounds where they were entertained at an Indian ceremonial council fire, which was put on by Scoutmaster David Dean and his assistant, George Webster, who performed several varieties of Indian dances relating to themes along the lines of Cub Scouting advancement. The entire program was under the leadership of Fred Schmidt, chairman of the Cub planning activities.

Thirteen Aeromodelers Capture Awards At Contest

Thirteen Aeromodelers members attended the Mayfair Exchange Clubs first annual model flying contest Sunday at Mayfair. Ten awards were won in various age groups and events by Bristol Aeromodelers members.

In the junior age group, Warren McQuaid won third place in the Class B speed event and Thomas Pearson won third place in the stunt event. This was the first time that these junior members had entered official competition. Their success is due to a large amount of practice flying with dependable models.

In the senior age group James VanSant, Jr., won first place in class B and D, and second in the Class C speed event.

In the open age group Robert Winslow won first place in the tow-line glider endurance event, Harry Brown won first place in the Class D free flight event and third place in the appearance event, and Clarence Wells won first place in the CO-2 powered event and third place in the class B speed event.

James VanSant, Sr. gave the contest officials much needed help by assisting in the functioning of the contest throughout the day.

Next week's schedule of competition is at Vineland, N. J., where junior and open age events will be held in Free Flight, control line, rubber power and glider flying. Valuable trophies will be given to winners.

WOMEN WEARING MOST ORIGINAL HAT, MOST COMICAL HAT AND PRETTIEST HAT WILL RECEIVE PRIZES AT MILL STREET FROLIC

One of the several features being arranged for the public frolic at which the Mill Street Business Men's Association is to be host on Thursday evening, will be the awarding of numerous prizes.

This feature is being arranged by Charles G. Rathke who has been called upon by the business men to serve as master of ceremonies.

This feature is to be entirely humorous and undoubtedly will create an uproar on the part of the throng expected to attend.

The frolic is to get underway at seven o'clock on the recently completed parking lot and it is being given by the business men in appreciation for the fine parking area afforded shoppers in Bristol. The invitation is extended to the public not only in Bristol but also the surrounding area to attend.

The committee also states that a prize will be given to the woman and man driving the longest distance to the frolic.

BLOW BY JOHN L.

Right at the outset of the Senate debate on the Taft-Hartley Act harassed Democratic leaders, whose job it is to keep the administration's labor bill from being amended out of all semblance to a simple repealer, have been handed a jolting blow. The action by John L. Lewis just about settles one of the issues they hoped to compromise and will have a bearing on others.

Mr. Roche said that a member of the Bristol Fish & Game Protective Association had informed him that the water was so low in the canal that the birds were eating the fish eggs.

John Raccagni, fifth ward, again inquired about the itinerant merchant law. He was advised that borough attorney John L. Kilcoyne was working upon the subject and had communicated with the Bureau of Municipal Research.

Upon the motion of Councilman Edward Riley the Bristol Blood Donors were given permission to solicit funds during the week beginning June 20th.

Upon motion of Councilman Edward Riley the Bristol Blood Donors were given permission to solicit funds during the week beginning June 20th.

Lewis simply decreed that the nation's mines must shut down and stay shut down for a week. He issued a long statement to the general effect that it will be good for everybody to stop the production of coal for a time.

But his reasons, good or bad, are beside the point. The significant thing is that he has the power to decide whether or not coal shall be mined.

This walkout is not a strike to enforce a contract or get a new one acceptable to the union. Its purpose is to lay the foundation for contract negotiations. If the miners go back at the end of a week they will work only five days before the vacation period begins on June 25.

The present contract expires June 30, and the men will not end their vacation until they have a new contract. But all that doesn't change facts. This is still a work stoppage, in violation of the spirit if not the letter of the existing agreement, imposed by Lewis.

At the moment there is no shortage of coal. This walkout is therefore no threat, right now, to the national welfare. But Lewis has again demonstrated that he can pose such a threat at his pleasure.

The Senate has been forcefully reminded that it cannot leave the government helpless to deal with a union leader who holds in his hands monopolistic power over a basic industry, and who is willing to use it recklessly for his own hands.

MOLOTOV'S COMEBACK

It is not difficult to believe the report that V. M. Molotov, former Soviet foreign minister and premier, has been given the task of bringing Asia, particularly China, into the communist fold. That is plainly a job which Moscow wants done. It is also a job which Molotov has shown that he knows how to do.

Insofar as overrunning China is concerned, no great obstacles will stand in Molotov's way. The Chinese communist armies are attacking to that little detail. But the actual conversion to communism and acceptance of its tenets by the rank and file of the people will call for exercise of special talents.

That Molotov has these talents is proved by his success in the various European nations now lying behind the iron curtain.

Anyway, Molotov is apparently back in the Russian picture, after having lost his place in the cabinet several months ago. At that time he was fired without either warning or explanation. Could it be that Stalin had something else in mind for him all the while?

East Farragut avenue. This section has been on the borough maps as Beach street, since it was first laid out during the days of the establishment of the Standard Cast Iron Pipe & Foundry Co. It is now to be called East Farragut ave. Council approved the recommendation.

I. J. Hetherington, first ward, inquired about the naming of that portion of Old Route 13 extending from Mulberry street to Otter Creek and which has never been officially named. No action was taken.

A copy of the borough building code adopted October 8, 1894, was offered by Councilman James Eagan, fourth ward, and he asked that the ordinance committee revise it and make the penalties heavier. It was referred to the ordinance committee.

Parking meters are again to be placed on Pond street in front of what was formally the synagogue and additional traffic standards are to be placed.

The fire committee recommended that the contract for 1500 feet of 2½ inch hose and for 500 feet of 1½ inch hose be awarded to U. S. Rubber Co., at \$1.50 and \$1.99 per foot respectively. This was approved upon the recommendation of John H. Witscher, chairman of the committee.

John Smoyer, sixth ward, stated that the plumbing ordinance had been considered and was now in final shape and he presented it as an ordinance for adoption. Action will be taken at the next meeting.

Low water in the canal was again discussed and it was stated that State Senator Edward B. Watson would meet with the committee of council at a date to be fixed. President Rathke told council that Kings

Farms have three pumps taking water from the canal to irrigate the fields. Mr. Roche said that a member of the Bristol Fish & Game Protective Association had informed him that the water was so low in the canal that the birds were eating the fish eggs.

John Raccagni, fifth ward, again inquired about the itinerant merchant law. He was advised that borough attorney John L. Kilcoyne was working upon the subject and had communicated with the Bureau of Municipal Research.

Upon the motion of Councilman Edward Riley the Bristol Blood Donors were given permission to solicit funds during the week beginning June 20th.

Upon motion of Councilman William H. H. Fine, was exonerated from the collection of delinquent real estate taxes, which will now be turned over to the county commissioners. Mr. Fine was named delinquent tax collector for occupation and other taxes for the borough.

Upon motion council rejected acceptance of Act 527 providing for the elimination of tax penalties on delinquent taxes.

It was announced by Francis J. Byers, secretary of the Bucks County Boro Association, that a meeting of the association will be held at Newtown, June 25th. Officers will be elected, business transacted and a social program enjoyed.

The ordinance committee presented a resolution fixing the vacation periods for salary and hourly employees at the same that they have been, but which has never been made a matter of record. It was adopted.

Mr. Pearson recommended to council that that portion of old Route 13 commonly called Farragut avenue, extending from about Cleveland street to Green Lane be named

Street committee was given power to regulate the size of a sign to be erected on borough property south of Bath street along Route 13 on borough property, and to fix the rental for the same. The term of lease to expire on the same date as the lease for a sign which is now on borough property.

Terchon Post F.W.V. inquired about

the amount of delinquent water rents had been reduced from nearly \$7,000 to less than \$1,000. Dennis J. Roche, chairman of water committee told council, "The new water plant is still in the talking stage and the committee has made no commitments to any engineers, said Mr. Roche.

Progress was reported by Richard T. Myers, chairman of the health committee, who said that signs had been procured for Adams Hollow Creek to stop the dumping of trash at that waterway. Meetings of the committee have been held and the subject of industrial waste disposal is still being considered.

President of council, Charles G. Rathke, read a letter which had been received from the M.H. Street Business Men's Association, inviting council to attend the frolic to be held Thursday evening at the parking lot. The latter stated that at a recent meeting of the association a vote of appreciation had been extended for what had been accomplished at the parking lot improvement. A similar letter was received from the secretary of the association.

Today is St. Barnabas' Day and we like to remember the unselfish devotion and care of nurses, for St. Barnabas is the Patron Saint of nurses. There aren't many people today who are willing to devote themselves to the art of caring for the sick, especially in the field of nursing. So for those who do dedicate themselves to this ministry, let us say the following prayer: "Touchsafe thy blessing, O Lord, to thy servants who serve thee as nurses. Grant them by thy grace growth in the knowledge and love of thee, devotion to thy service, the spirit of loving sympathy, and in the end everlasting life; through Jesus Christ our Lord. Amen."

LUCKIES PAY MORE to give you a finer cigarette!

Yes, at tobacco auctions Lucky Strike pays millions of dollars more than official parity prices for fine tobacco!

There's no finer cigarette in the world today than Lucky Strike! To bring you this finer cigarette, the makers of Lucky Strike go after fine, light, naturally mild tobacco—and pay millions of dollars more than official parity prices to get it! So buy a carton of Luckies today. See for yourself how much finer and smoother Luckies really are—how much more real deep-down smoking enjoyment they give you. Yes, smoke a Lucky! You'll agree it's a finer, milder, more enjoyable cigarette!

CURTIS A. WALKER, veteran independent warehouseman of Wendell, N. C., says: “Season after season, I've seen the makers of Luckies buy fine tobacco... tobacco that makes a mild smoke. I've smoked Luckies myself for 20 years.” Here's more evidence that Luckies are a finer cigarette.

FRANKLIN A. C. AND FIFTH WARD PLAY EXTRA TIME

Franklin A. C. and the Fifth Ward Sporting Club battled two extra innings last evening on Memorial Park field with victory finally going to the Warders by a 6-5 count. It was a Bristol Suburban Softball League tilt.

"Brownie" Cordisco's single to left field scored the winning tally in the second overtime session. After Pica had fouled out to open the inning, Liberatore drew a walk. Paul Paolillo singled sharply to right and then Cordisco's blow scored Liberatore.

Paolillo allowed the losing team five hits in the nine frames while the winners got to "Reggie" Jerome for 13 safe blows.

In the fourth inning, Danny Pico accounted for a pair of Fifth Ward runs with a slashing home run drive to left field with "Chick" DiAngelo on base.

"Freddie" Field tied the score for Franklin in the sixth inning by connecting for a four-baser with Frank Barbetta on first.

Every player in the Fifth Ward lineup had at least one hit with DiAngelo, Cordisco, and Joe Pica getting two each. Fred Field has out of four for the losing contingent.

SAINTS TRYING TO SECURE 1ST PLACE

Still clinging to its goal of taking first place in the Trenton Industrial League, St. Ann's A. A. will play on Memorial Park field this evening and tomorrow evening. The Trenton Pirates will be the guests this evening with American Steel coming here tomorrow. Both games are scheduled to start at six o'clock.

The "Saints" have been playing fine ball in the circuit but seem to have more trouble in beating the teams below them as they do the leaders. However, should "Spike" Scordia's boys take the above scheduled games, they will in first place. Manager Scordia has "Bill" McGerr, Gene Saragianese, Danny Keegan, "Bob" Schultheis, Tony Cauti and Paul Cerveliero available for mound duty.

LEWIS LODGE WINS OVER HIBERNIANS

In a closely played game on Lee-dam's field, the Lewis Lodge of Elks nosed out the Hibernians, 5-4, in a Suburban Baseball League fray. A run in the last half of the eighth enabled the Elks to win and move into a deadlock with the Hibs for fourth place. It was the third straight loss for the Corson streeters.

Ernie Davis started the rally which produced the winning run by working Stan Stevenson for a pass. McCoy singled to center and when Long drew a walk, the bags were packed. Howard Keys struck out but Hardy Johnson punched a hit to center and Davis crossed with the deciding tally.

Bob Norris was the winning moundsman, he giving the Hibs but five hits. The Elks had eight hits off Stevenson with Johnson and George Adams getting two each.

Both teams played erratic ball, the winners having five errors and the Hibs' six.

Eight Boats Take Part In Duster Class Races

On Sunday two races of Duster class sailboats was held among members of the Bristol Yacht Club, eight boats racing.

First race results (1½ mile course): "Joe" Cherubini, first; John Dodds, second; John Cherubini, third.

Second race results (2½ mile course): Joe Cherubini, first; John Dodds, second; Melvin Locke, third.

This evening at eight o'clock the monthly meeting will be held at the club house. Refreshments will be served.

On Thursday evening, the executive meeting of the Duster Association will be held at Bristol Yacht Club. This is a national organization.

Definite steps have been taken to form a Ladies' Auxiliary. Three members' wives will be at the Tuesday meeting to formulate plans for organizing. Any of the members' wives wishing to participate are welcome.

Refreshments were available for the first time Sunday, and it is planned to have them on future weekends.

Cubbers Have Pow-Wow At Camp Ockanickon, Point Pleasant

BLUE-GOLD BANQUET

Indian Ceremonial Council Fire Is Staged by David Dean, Geo. Webster

POINT PLEASANT, June 14 —

The Cubbers of the Bucks County Council met over the past week-end at Camp Ockanickon for a Cubbers' pow-wow, and Cub Leaders' get-together. The program included a section on handicraft under the direction of William Liebig, Cubmaster of Pack No. 24, Doylestown, assisted by Clifford Clymer, assistant cubmaster of this pack. In this handicraft, participants received instructions and completed several types of projects relating to Cubcraft work.

Another section of the program was the cub games, under direction of Mrs. Albert Wiedemeyer, den mother. While still another was on the cub pack administration under the direction of Albert Wiedemeyer, cubmaster of Pack No. 1, Sellersville. The final program group for the afternoon sessions was planning for cub pack ceremonies with Kenneth Keefer, as course director.

Supper was held in the form of a cub pack blue and gold banquet in order that the cubbers might see how such a banquet might be put on in connection with their own cub pack.

Following the supper, the entire group assembled down at the parade grounds where they were entertained at an Indian ceremonial council fire, which was put on by Scoutmaster David Dean and his assistant, George Webster, who performed several varieties of Indian dances relating to themes along the lines of Cub Scouting advancement. The entire program was under the leadership of Fred Schmidt, chairman of the Cub planning activities.

Thirteen Aeromodelers Capture Awards At Contest

Thirteen Aeromodelers members attended the Mayfair Exchange Club's first annual model flying contest Sunday at Mayfair. Ten awards were won in various age groups and events by Bristol Aeromodelers members.

In the junior age group, Warren McQuaid won third place in the Class B speed event and Thomas Pearson won third place in the stunt event. This was the first time that these junior members had entered official competition. Their success is due to a large amount of practice flying with dependable models.

In the senior age group James Van Sant, Jr., won first place in class B and D, and second in the Class C speed event.

In the open age group Robert Winslow won first place in the tow-line glider endurance event, Harry Brown won first place in the Class D free flight event and third place in the appearance event, and Clarence Wells won first place in the CO-2 powered event and third place in the class B speed event.

James Van Sant, Sr. gave the contest officials much needed help by assisting in the functioning of the contest throughout the day.

Next week's schedule of competition is at Vineland, N. J., where junior and open age events will be held in Free Flight, control line, rubber power and glider flying 100 valuable trophies will be given to winners.

WOMEN WEARING MOST ORIGINAL HAT, MOST COMICAL HAT AND PRETTIEST HAT WILL RECEIVE PRIZES AT MILL STREET FROLIC

One of the several features being arranged for the public frolic at which the Mill Street Business Men's Association is to be host on Thursday evening, will be the awarding of numerous prizes.

This feature is being arranged by Charles G. Rathke who has been called upon by the business men to serve as master of ceremonies.

A freckle counter is to be installed and the boy and the girl having the most freckles will be rewarded with a prize, while the girl having the most curls will also be compensated.

The committee also states that a prize will be given to the woman and man driving the longest distance to the frolic.

The frolic is to get underway at seven o'clock on the recently completed parking lot and it is being given by the business men in appreciation for the fine parking area afforded shoppers in Bristol. The invitation is extended to the public not only in Bristol but also the surrounding area to attend.

Today Mr. Rathke said that prizes will be given to the woman having the longest runner in her stockings. Other awards will be made to the tallest, shortest, fattest, thinnest and oldest woman present. One prize will be given to the woman wearing the most original hat, most comical hat and the prettiest hat. The hat feature will be given

Children Participate In Service At Hulmeville

HULMEVILLE, June 14—A number of young people and children took part in a combined service Sunday morning in Neshaminy Methodist Church, when Children's Day was observed. The program was arranged by the Misses Adeline E. Reetz, Grace H. Ulrich and Lillian Waldron.

The program included: Call to worship and prayer of confession, Marian Sutton; song, primary department; responsive reading lead by June Fowler; Scripture lesson, Alice Jane Rongley; exercise, "Happiness," Marie Riley, Nancy Dunlap, Marcia Gillespie, and Loretta Neitzel; anthem, youth choir; presentation of offering, Morton Sutton and Allen Heisey; song, junior department; children's story sermon, the Rev. John C. Kulp, pastor; vocal solo, "The Lord's Prayer," Marian Voorhees; remarks, C. Wesley Haefner.

IN THE JUNIOR age group, Warren McQuaid won third place in the Class B speed event and Thomas Pearson won third place in the stunt event. This was the first time that these junior members had entered official competition. Their success is due to a large amount of practice flying with dependable models.

In the senior age group, Robert Winslow won first place in the tow-line glider endurance event, Harry Brown won first place in the Class D free flight event and third place in the appearance event, and Clarence Wells won first place in the CO-2 powered event and third place in the class B speed event.

James Van Sant, Sr. gave the contest officials much needed help by assisting in the functioning of the contest throughout the day.

Next week's schedule of competition is at Vineland, N. J., where junior and open age events will be held in Free Flight, control line, rubber power and glider flying 100 valuable trophies will be given to winners.

BLOW BY JOHN L.

Right at the outset of the Senate debate on the Taft-Hartley Act harassed Democratic leaders, whose job it is to keep the administration's labor bill from being amended out of all semblance to a simple repealer, have been handed a jolting blow. The action by John L. Lewis just about settles one of the issues they hoped to compromise and will have a bearing on others.

Lewis simply decreed that the nation's mines must shut down and stay shut down for a week. He issued a long statement to the general effect that it will be good for everybody to stop the production of coal for a time.

But his reasons, good or bad, are beside the point. The significant thing is that he has the power to decide whether or not coal shall be mined.

This walkout is not a strike to enforce a contract or get a new one acceptable to the union. Its purpose is to lay the foundation for contract negotiations. If the miners go back at the end of a week they will work only five days before the vacation period begins, on June 25.

The present contract expires June 30, and the men will not end their vacation until they have a new contract. But all that doesn't change facts. This is still a work stoppage, in violation of the spirit if not the letter of the existing agreement, imposed by Lewis.

At the moment there is no shortage of coal. This walkout is therefore no threat, right now, to the national welfare. But Lewis has again demonstrated that he can pose such a threat at his pleasure.

The Senate has been forcefully reminded that it cannot leave the government helpless to deal with a union leader who holds in his hands monopolistic power over a basic industry, and who is willing to use it recklessly for his own ends.

MOLOTOV'S COMEBACK

It is not difficult to believe the report that V. M. Molotov, former Soviet foreign minister and premier, has been given the task of bringing Asia, particularly China, into the communist fold. That is plainly a job which Moscow wants done. It is also a job which Molotov has shown that he knows how to do.

Insofar as overrunning China is concerned, no great obstacles will stand in Molotov's way. The Chinese communist armies are attending to that little detail. But the actual conversion to communism and acceptance of its tenets by the rank and file of the people will call for exercise of special talents.

That Molotov has these talents is proved by his success in the various European nations now lying behind the iron curtain.

Anyway, Molotov is apparently back in the Russian picture, after having lost his place in the cabinet several months ago. At that time he was fired without either warning or explanation. Could it be that Stalin had something else in mind for him all the while?

juvenile bicycle riders warned, 11; accidents investigated, eight; alarms answered by radio car, 281; alarms answered by Township radio car, 23; fined for parking violations, 128; parking fines collected, \$130; miles radio car was driven, 3,975; collections from parking meters, \$1,437.57; arrested for speeding, two; arrested for reckless driving, five; arrested for passing red light, two; arrested for not having driver's license, one; arrested for not having car inspected, one.

Parking meters are again to be placed on Pond street in front of what was formally the synagogue and additional traffic standards are to be placed.

The fire committee recommended that the contract for 1,500 feet of $\frac{3}{4}$ inch hose and for 500 feet of $\frac{1}{2}$ inch hose be awarded to U. S. Rubber Co., at \$1.50 and \$1.00 per foot respectively. This was approved upon the recommendation of John H. Wiesner, chairman of the committee.

The amount of delinquent water rents has been reduced from nearly \$7,000 to less than \$1,000, Dennis J. Roche, chairman of water committee told council. "The new water plant is still in the talking stage and the committee has made no commitments to any engineers," said Mr. Roche.

Progress was reported by Richard T. Myers, chairman of the health committee, who said that signs had been procured for Adams Hollow Creek to stop the dumping of trash into that waterway. Meetings of the committee have been held and had communicated with the Bureau of Municipal Research.

Today is St. Barnabas' Day and we like to remember the unselfish devotion and care of nurses, for St. Barnabas is the Patron Saint of nurses. There aren't many people today who are willing to devote themselves to the art of caring for the sick, especially in the field of nursing. So for those who do dedicate themselves to this ministry, let us say the following prayer... "Vouchsafe thy blessing, O Lord, to thy servants who serve thee as nurses. Grant them by thy grace growth in the knowledge and love of thee, devotion to thy service, the spirit of loving sympathy, and in the end everlasting life; through Jesus Christ our Lord. Amen."

LUCKIES PAY MORE to give you a finer cigarette!

Yes, at tobacco auctions Lucky Strike pays millions of dollars more than official parity prices for fine tobacco!

There's no finer cigarette in the world today than Lucky Strike! To bring you this finer cigarette, the makers of Lucky Strike go after fine, light, naturally mild tobacco—and pay millions of dollars more than official parity prices to get it! So buy a carton of Luckies today. See for yourself how much finer and smoother Luckies really are—how much more real deep-down smoking enjoyment they give you. Yes, smoke a Lucky! You'll agree it's a finer, milder, more enjoyable cigarette!

CURTIS A. WALKER, veteran independent warehouseman of Wendell, N. C., says: "Season after season, I've seen the makers of Luckies buy fine tobacco...tobacco that makes a mild smoke. I've smoked Luckies myself for 20 years." Here's more evidence that Luckies are a finer cigarette.

FRANKLIN A. C. AND FIFTH WARD PLAY EXTRA TIME

Franklin A. C. and the Fifth Ward Sporting Club battled two extra innings last evening on Memorial Park field with victory finally going to the Warders by a 6-5 count. It was a Bristol Suburban Softball League tilt.

"Brownie" Cordisco's single to left field scored the winning tally in the second overtime session. After Pica had fouled out to open the inning, Liberatore drew a walk. Paul Paolillo singled sharply to right and then Cordisco's blow scored Liberatore.

Pacella allowed the losing team five hits in the nine frames while the winners got to "Reggie" Gerome for 13 safe blows.

In the fourth inning, Dunn Pleo accounted for a pair of Fifth Ward runs with a smashing home run drive to left field with "Chick" DiAngelo on base.

"Freddie" Field tied the score for Franklin in the sixth inning by connecting for a four-baser with Frank Barbetta on first.

Every player in the Fifth Ward lineup had at least one hit with DiAngelo, Cordisco, and Joe Pica getting two each. Fred Field has two out of four for the losing contingent.

SAINTS TRYING TO SECURE 1ST PLACE

Still clinging to its goal of taking first place in the Trenton Industrial League, St. Ann's A. A. will play on Memorial Park field this evening and tomorrow evening. The Trenton Pirates will be the guests this evening with American Steel coming here tomorrow. Both games are scheduled to start at six o'clock.

The "Saints" have been playing fine ball in the circuit but seem to have more trouble in beating the teams below them as they do the leaders. However, should "Spike" Scordia's boys take the above scheduled games, they will in first place.

Manager Scordia has "Bill" McGerr, Gene Saraginese, Danny Keegan, "Bob" Schultheis, Tony Canti and Paul Cervellero available for mound duty.

ST. JAMES' TEAM DOWNS PRESBYTERIANS, 11 TO 4

With seven men in the line-up, getting 2 hits each, St. James Episcopal's 15 hit attack enabled them to score 11 runs and easily defeat Eddington Presbyterian 11 to 4. Two big 4 run innings in the second and fifth put the game on ice for the local boys.

Eddington loaded the bases in the seventh with no outs on an error, hit, and walk in succession but were able to score only two runs in this frame.

The fielding feature of the game was a catch of a line drive by "Ducky" DeLong and beautiful throw to first base to double up a runner. Jack Bailey also made several nice catches for St. James.

ST. ANN'S USES SHUFFLED LINE-UP BUT LOSES BY 1 RUN

TRENTON, June 14 — Manager "Spike" Scordia used a shuffled line-up last evening against American Steel in a Trenton Industrial League game but the Steelers stopped a rally in the last inning and won out over the Bristol team by a 6-5 count.

Eddington loaded the bases in the seventh with no outs on an error, hit, and walk in succession but were able to score only two runs in this frame.

Scordia used "Rabbit" Palumbo, erstwhile shortstop, on the mound and sent "Lou" Sassi behind the plate. He shifted Bert Barbetta to shortstop and used Tony Canti and "Bob" Schultheis in the outfield.

The changing about produced 11 hits for the "Saints" but not enough runs. In the sixth, the Bristol boys pounded "Johnny" Szucs from the mound and "Herm" Pluma relieved him. Pluma blanked the St. Ann's team in the seventh and eighth. In the latter frame, Klein singled and Canti walked with two out but Bert Barbetta ended the game by fanning.

Palumbo held the league-leaders to five hits but a streak of wildness in the third mixed with a triple by Cimadina and single by Linder gave the Steelers a quartet of markers.

"Lou" Sassi caught a good game and had a single and triple in three trips to the plate.

ST. ANN'S TRYING TO SECURE 1ST PLACE

The forth annual spring concert will be presented by the Youth Choir in Neshaminy Methodist Church at eight o'clock Saturday evening. Directing will be the Misses Adeline E. Reetz and Marie Hanson.

Mr. and Mrs. Raymond Vornold had as guests at their cottage at Seaside Heights, N. J., over the week-end, Mr. and Mrs. James Scollon, of Philadelphia. Mr. and Mrs. Vornold spent three days last week on a trip to Titusville, Oil City and Altoona.

WEST BRISTOL TAKES GRIP ON FIRST PLACE

West Bristol took undisputed possession of first place in the Bristol Suburban Baseball League by whipping the Voltz-Texaco nine, 6-3, last evening on Memorial Park field.

Ludwig walked to load the sacks. Jack Haines muffed Kohler's grounder and Leighton scored. Sackville had been forced in when Dewsnap was hit with a pitched ball. With the bases still loaded, Sal Pappaterra drove a tremendous fly to the flag-pole in center but Haines chased it and snared it to stop the rally.
